

Some Famous Symbols

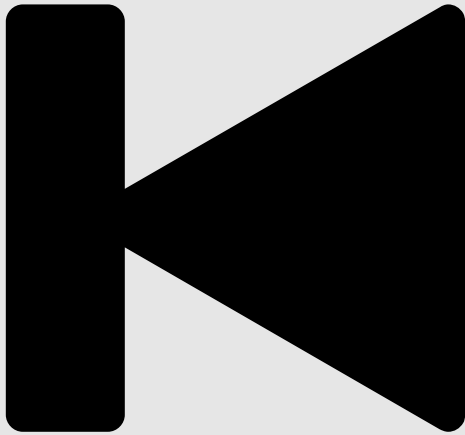

This symbol can be used to indicate a hyperlink to a previous page.

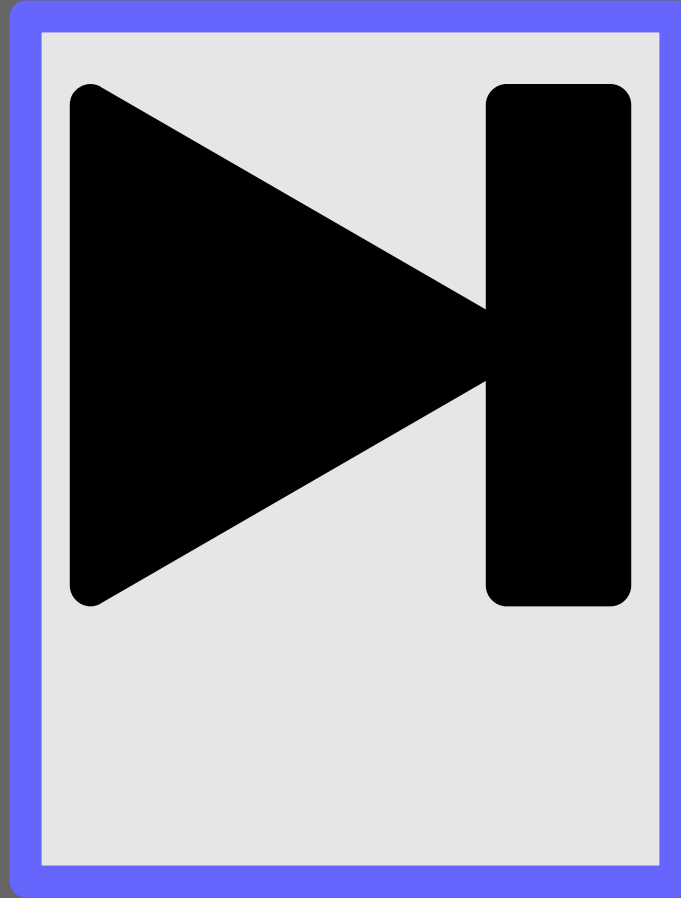

This symbol can be used to indicate a hyperlink to a previous page. As one can expect there is also a symbol for going to the next page.

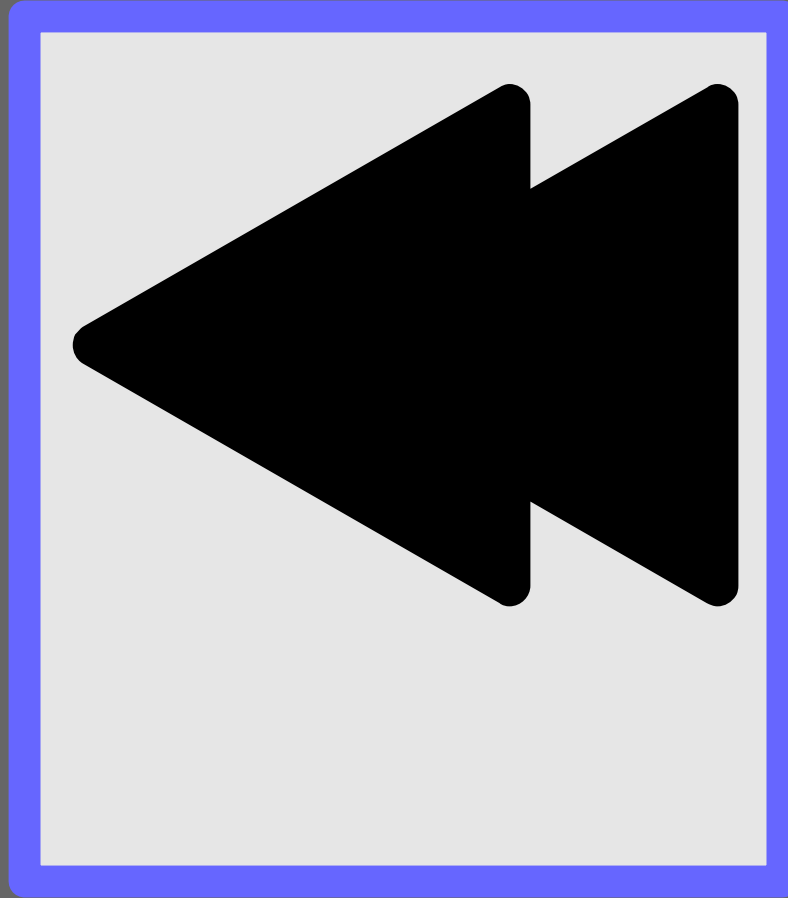

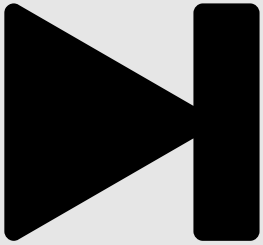

This symbol is actually just a mirrored version of the first symbol we showed.

Is this nice or not?

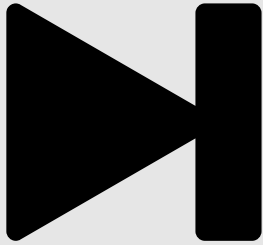

First and Last

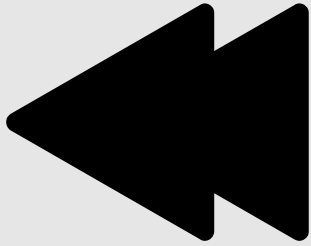

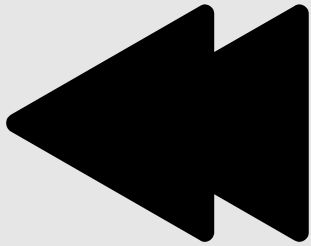

A few screens back, we saw this symbol.

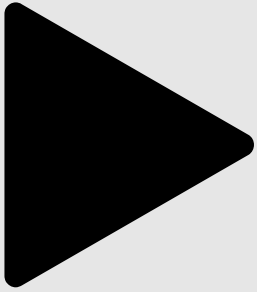

A few screens back, we saw this symbol.
This symbol represents the beginning of something.

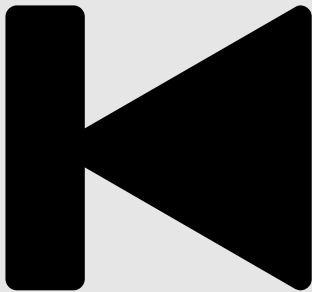

A few screens back, we saw this symbol.
This symbol represents the beginning of something.
Just like this one represents an end.

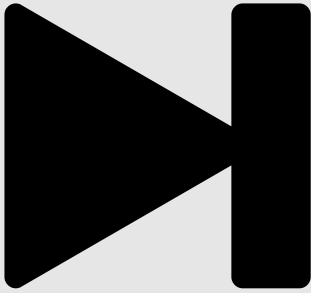

A few screens back, we saw this symbol.
This symbol represents the beginning of something.
Just like this one represents an end.
They look just like the symbols found on audio and video players.

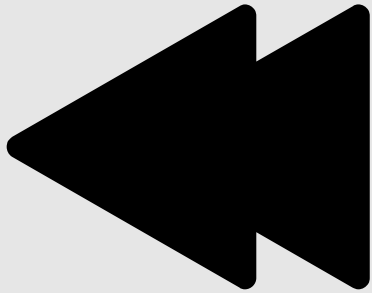

So we have a symbol for previous . . .

So we have a symbol for previous ...
... and one for next ...

So we have a symbol for previous ...
... and one for next ...
... and yet another for first ...

So we have a symbol for previous ...
... and one for next ...
... and yet another for first ...
... and of course for last.
